BTI MISC LINE CHARGES

ALL CHARGES BELOW ARE SUBJECT TO VARY ACCORDING TO LOCATION AND OR CIRCUMSTANCES

Item	Description	Price
Cancelled Load	If a local load is cancelled the same day that it is supposed to be run there is a \$350 TONU charge. And if the driver is already at the loading location then there will be FSC added to that and wash if needed. For other loads that are not local , it will be charged according to location/miles per the load plus FSC. See <i>below-TONU</i>	\$350.00 plus
Chassis Demurrage	If the chassis must be dropped or if there is a delay in delivery and the chassis is used to store the container.	\$150.00 per Day
Drain Heel	Failure to off load any product at time of delivery at point of delivery----price will be quoted by the tank wash that will be draining and capturing or disposing of the material. Cost will vary according to quantity of product & solution of disposal vs drumming of product & pick up	Varies
Exterior Wash	Exterior Trailer Wash if product possibly was spilled on outside of trailer at either pick up or delivery	\$90.00
Fax Fee	Cost incurred if the driver must stop in route to send or receive a fax.	\$20.00
Hoses	Hoses - \$25.00 per extra 20 ft. of hose needed after the initial 40 ft. of hose	\$25.00 per hose
Pre-Load	Pre-Load - Costs will be dependent on the situation. Each case taken in consideration of the circumstances & location of loading. If the load can be completed in one day and the customer stretches it out to 2 days or more (this cost may change due to the actual location of loading and the mileage involved)	\$150.00- \$350.00
Pump/Compressor	Use of Truck Pump/Compressor (per use at each loading/delivery location)	\$50.00
Redeliver	Redeliver- depends upon the mileage and will be spot quoted.	Varies
Stop Off	Stop Off - base rate of \$150.00 (Charges may vary be depending upon the out of route mileage to stop off location) Demurrage will be valid after 2 hours of being at this extra facility.	\$150.00+
TONU	Truck Ordered, Not Used - a load that is cancelled within 2 <i>business days</i> , prior to the load being run will have a \$200.00 fee. A load that is cancelled within 1 <i>business day</i> , prior (business hours-Mon-Fri. 8-5) prior to the load being run will have a \$350.00 fee.	\$200.00- \$350.00
Trailer Demurrage	If the trailer must be dropped or if there is a delay in loading or delivery and the trailer is used to store the product. No exceptions	\$150.00 per Day
Trailer Drop	Driver dropping a trailer @ a loading or delivery location - base rate \$150.00 (Charges may vary be depending upon the mileage to drop off location)	\$150.00 + FSC
Trailer Pickup	Driver dropping a trailer @ a loading or delivery location – base rate \$150.00 (Charges may vary be depending upon the mileage to pick up location)	\$150.00 + FSC
Trailer Prep or DOW Prep	Preparation of Trailer for entrance into certain plants (prices may vary due to product being loaded) DOW Prep - Preparation of Trailer for entrance into a DOW facility.	\$130.00 - \$150.00
Trailer Transport	Empty Trailer Transport from point A to point B (Charges may vary be depending upon the mileage to location)	\$200.00 +
Truck Demurrage	Wait Time----\$75.00 per hour---you have 2 hours free loading and/or unloading. Any additional time waiting to be loaded or unloaded will result in the addition charges of demurrage times	\$75.00 per Hour
Interplant Stop-Off	Extra unloading spot in same plant \$75.00. Demurrage is still valid per the truck demurrage item above.	\$75.00 +
Washout	Cleaning Out Of Tank Trailer (price will vary according to product being cleaned out of tank) And could be more depending on product. SDS must be provided for cost to be determined.	\$225.00 - \$600.00
Pump and Hoses Wash	Cleaning Out Of Truck Pump and/or Hoses when the pump and/or hoses are used to complete the loading or delivery of a load.	\$35
Weight Ticket	Weight Ticket (rate varies depending upon number of tickets required per load and is charged at cost)	Varies
